ремонт частотных преобразователей сервоприводов, серводвигатель, энкодер, резольвер, servomotor  
ремонт сервоусилителей, сервоконтроллеров, ремонт драйверов двигателя, servo drive, привод  
Диагностика поэлементная, Определение неисправных микросхем, Замена неисправных микросхем,  
Ремонт неисправных плат, Списывание прошивок с микросхем, Запись прошивок в микросхемы,  
Проверка работоспособности оборудования на стэнде, Настройка, Подключение, Параметрирование,  
Заключение договора  
Предоставление гарантии на ремонт электронного устройства 6 месяцев.  
Цена ремонта 30-60% от стоимости нового блока
